

Ideation Phase
Empathize & Discover

Date	19 September 2022
Team ID	PNT2022TMID35589
Project Name	Project – Containment Zone Alerting App
Maximum Marks	4 Marks

Empathy Map Canvas:

The global pandemic is different from past public health emergencies because it is affecting us all in one way or another; therefore, each of us can foster empathy in the sense that we are each going through our own experience and can imagine that others are as well,
